Peter Akerley, Erdene’s President and CEO stated, “The past year has been transformative for our Company. As outlined in my letter to fellow shareholders, we closed the Strategic Alliance with Mongolian Mining Corporation, commenced construction of the Bayan Khundii Gold Project and continued to see exploration success in our Khundii Minerals District in southwestern Mongolia.”

Mr. Akerley continued, “These accomplishments are the result of more than twenty years of effort in Mongolia, where Erdene has been the most active explorer and developer in the unexplored western portion of Mongolia’s Gobi Desert. It is extremely satisfying to see the vision of Erdene’s founders come to fruition with first gold production from Bayan Khundii expected in 2025.”
